help me various sides

## MOTTO

Nothing is impossible just start with optimism and acceptance the consequences  
of the action.

## ACKNOWLEDGEMENT

First and foremost, I would like to extend my gratitude to the Almighty Allah SWT for blessing me every time, so that I can accomplish this piece of work entitled “Students’ Difficulties in Learning English Vocabulary of Thai Learners in Semarang” as the requirement for getting the post-graduate degree of English Education Department at Universitas Muhammadiyah Semarang. On this occasion, I would like to say thank you to those who guide and encourage me during the process of this final project. Therefore, I would sincerely thank:

1. Prof. Dr. Djamaluddin Darwis, M.A, as the first advisor, and Dr. Siti Aimah, M.Pd, as the second advisor who always gave me a lot of guidance in encouragement completing this final project.
2. All of the lecturers of the English Education Department. Faculty of Foreign Language and Culture at the Universitas Muhammadiyah Semarang.
3. Some Thai learners in Semarang who study English Education from four universities for their help and participate in finishing my research.
4. My great parents and sisters for their support during my study.
5. My beloved all friends for their motivators, help, and togetherness.

Finally, I hope this thesis could be useful for those who are interested in materials development.
