

The image shows a Gmail interface on a desktop browser. The browser's address bar displays a URL starting with 'mail.google.com'. The Gmail search bar at the top contains the text 'jphn'. On the left, the navigation sidebar is visible, showing options like 'Compose', 'Inbox', 'Starred', 'Drafts', 'Spam', 'Trash', and 'Labels'. The main area shows an email with the subject line '[JPHN] NUTRITION ANALYSIS OF WOOD APPLE (Limonia acidissima)'. The email header indicates it is from 'Nivedita Patil (nivedita.patil@jphn.in)'. The body of the email is partially visible, starting with 'To: [redacted]'. The interface includes standard Gmail icons for marking as read, deleting, and reporting spam.
