Dear Prof. Aldes Lesbani,

We are grateful for your decision to accept our manuscript. Thank you very much. Meanwhile, we would like to address a small but meaningful request for us to you:

We would like to request that Science and Technology Indonesia Journal recognize the equal contribution of our first and second author

Dina Ferdiani and *Dewi Seswita Zilda*. They are *equally contributed as the first author* because Dina Ferdiani mostly worked in Dewi Seswita's Zilda in BRIN (Badan Riset dan Inovasi nasional) laboratory, with Ms. Zilda as her supervisor in the lab. Ms. Zilda directed the research during the lab work at BRIN. The recognition for example could be given by stating in footnote that, "Dina Ferdiani and Dewi Seswita Zilda are equally contributed as the first author".

I hope you could kindly fulfill this humble request.

Again thank you and best regards.

Dr. Stalis Norma Ethica, M.Si.
