## Copyediting

The screenshot shows a Gmail inbox on a desktop browser. The email in focus is from Aric Vranada (aricvranada@unimus.ac.id) dated June 2, 2021. The subject is "[SEANR] Copyediting Review Request". The email content informs the recipient that their submission "Community stigma on the health care providers during COVID-19 Pandemic" has been accepted for copyediting. It provides a list of eight steps for the review process, including logging into the journal, opening the submission, reviewing the text, making changes, uploading the file, checking metadata, and sending a completion email. A submission URL and username are provided. The email concludes by stating that this is the last opportunity to make substantial copyediting changes before the proofreading stage.

Arief Yanto:

Your submission "Community stigma on the health care providers during COVID-19 Pandemic" for South East Asia Nursing Research has been through the first step of copyediting, and is available for you to review by following these steps.

1. Click on the Submission URL below.
2. Log into the journal and click on the File that appears in Step 1.
3. Open the downloaded submission.
4. Review the text, including copyediting proposals and Author Queries.
5. Make any copyediting changes that would further improve the text.
6. When completed, upload the file in Step 2.
7. Click on METADATA to check indexing information for completeness and accuracy.
8. Send the COMPLETE email to the editor and copyeditor.

Submission URL:  
<https://jurnal.unimus.ac.id/index.php/SEANR/author/submissionEditing/8288>  
Username: ariefyanto

This is the last opportunity to make substantial copyediting changes to the submission. The proofreading stage, that follows the preparation of the galley, is restricted to correcting typographical and layout errors.
