To: dewisetyawati@unimus.ac.id

Dear Dewi Setyawati,

Thank you for submitting your article entitled: "**Factors affecting medication adherence in hypertension patients: A literature review**"

Based on our author guidelines, Your article fulfilled the minimal required structure,

<https://balimedicaljournal.org/index.php/bmj/pages/view/authorguidelines>

In order to have a better-structured article, we suggest you edit based on a checklist, the simplest way, you may use the Publons review checklist.

According to the new International regulation, please input your detail in the article:

1. Please fulfill the ICJME author form (**See attachment below**)
2. Please state each author's contribution (**See attachment below**)

Point of revision:

1. Please revise figure 1 to a high resolution
2. Please describe inclusion and exclusion criteria in the method section

Here we also attached the username and password to access the website of Bali Medical Journal.

Username: dewisetyawati123

Password: dewisetyawati123

The username and password was unique and different for each person.

Please return the revised manuscript within **3 days (December 18th, 2021)**, and type the revision on the attached manuscript below.

Inaccuracy in sending the file will affect the time of publication.

Thank you for trusting us with your hard work

Best Regards
