Elementary Education Online (EEO) is a free access, electronic-only, peer reviewed scholarly journal. It was published twice a year from January 2002 to 2007 since then it has been published four times a year. EEO accepts manuscripts related to all aspects of Elementary Education. EEO is intended to contribute to and disseminate knowledge about elementary education, including but not limited to theories, quality of instruction, instructional planning, design and technology from a disciplinary and/or interdisciplinary holistic approach. EEO aims at: -Disseminating research findings, either in qualitative or quantitative inquiry; -Proposing new discussion directions and issues through literature reviews -Emphasizing creative solutions to the existing problems and issues in the field. -Contributing professional development by discussing research findings in a systematic way.

Dear  
Editor of Elementary Education Online

Regarding the information provided about the payment for Article Handling, we as the author of the article entitled "Depicting Chemistry Teachers' Perception of Laboratory Environment and Teaching Satisfaction" require information regarding the payment process (\$ 300 USD for Authors).

Besides that, are there any additional costs if the process continues? Also, do we need further revisions to our article ?. thanks. Please provide the information.

Best regards,  
Muhamad Imaduddin
